
The Slickrock Desert Book Description

SHORT DESCRIPTION (26 WORDS)

A lively tour of the Four Corners Region of the American Southwest, as told by an acclaimed author who has spent over forty years exploring it.

MEDIUM DESCRIPTION (52 WORDS)

The Slickrock Desert is the story of the canyons and mesas of the Four Corners Region of the American Southwest. Come with author Stephen W. Hinch as he explores its history, prehistory, geology, paleontology, and the threats to this magnificent land. It is a story every lover of wilderness needs to know.

EXTENDED DESCRIPTION (125 WORDS)

The Slickrock Desert is the story of a land unlike any other on earth. Come with author Stephen W. Hinch as he explores the mesas and the canyons of the Four Corners Region of the American Southwest—the Slickrock Desert. Along the way you will discover its history, natural history, geology, ecology, and what we know of its earliest inhabitants. And you will revel in its beauty in over 50 inspiring photographs. But all is not well in this magnificent land. You will also learn of the threats from those who would destroy it forever for short-term gain, and of the work being done by dedicated individuals and groups to protect it. It is a story every lover of the American wilderness needs to know.
